Challengers allows every child to experience the rewards of being part of an athletic team while motivating and increasing emotional development, high self-esteem, confidence, and pride regardless of ability. The Challenger Little League Baseball Program has been blessed to offer this program at very minimal expense to the families of Challenger Athletes. Unlike other divisions of Little League, the Challenger Program provides registration fees, team uniforms, trophies, and any other benefits. The positive and rewarding experience of the Challenger Program is constantly being spread throughout the Va. District 12 area. Our Baseball Family has continued to grow since our first year in 1989. As the word about the program spreads, the hope is for all children with limitations to have the chance for the future. The Challenger Program's success is due largely to the generosity and support of individuals, and organizations in the Va. District 12 area. We invite you to help support the Challenger athletes by participating in this Annual Smith Mt. Lake Fishing Tournament. We hope to see you all on the water!
